

## Prochesta – Standing with People, Bound by Humanity 🌿

### About Us

In the southern suburbs of Kolkata, at Gangulibagan, under the supervision of 4 No. Milani Club, a unique social welfare initiative has taken shape — “Prochesta Charitable Trust”, more popularly known among locals as the “Osudh Ghar / Medicine Bank.”

Every Sunday morning, one can witness long queues of underprivileged people beside the club — some receiving free medicines, others undergoing essential health check-ups. This scene itself reflects Prochesta’s deep commitment to serving humanity.

### 🕒 The Beginning -

The journey began in 2013, initiated by a group of dedicated and socially conscious members of 4 No. Milani Club.

Under the leadership of renowned physician Dr. Sanjoy Dasgupta, Prochesta started its mission.

For over a decade, overcoming numerous challenges, this humanitarian effort continues to move forward with unwavering dedication.
